

## "CURRICULUM VITAE PRINCIPAL INVESTIGATOR"

(EU REGULATION no. 536/2014, ART. 49, ANNEX I, SECTION M, PARAGRAPH 65)

Each Member State, for each clinical trial, will have to evaluate the aspects related to Part II of the Regulation among which there is the "**Curriculum vitae of the principal investigator**". This document must be prepared by the investigator, according to the model shown below, for the applicable parts, and is part of the application dossier.<sup>1</sup>

This model has been developed and approved by the National Coordination Centre of Ethics Committees, based on the model elaborated by the EU Clinical Trials Expert Group in compliance with Regulation (EU) no. 536/2014 on clinical trials on medical products for human use. However, this model is also relevant under Directive 2001/20/EC.
