

Storia Sociale: FACCIO IL TAMPONE

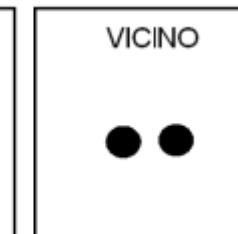

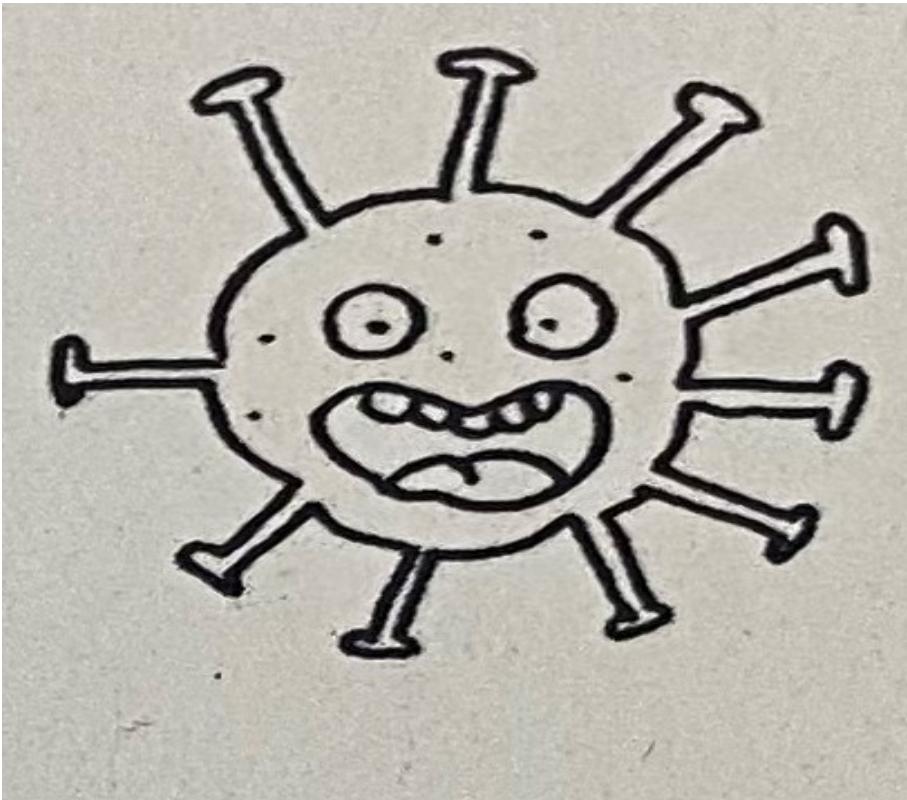

FACCIO IL TAMPONE QUANDO NON MI SENTO BENE
E HO TOSSE, RAFFREDDORE, FEBBRE, DIARREA

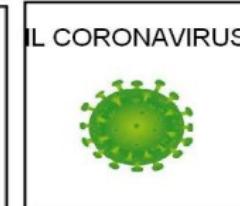

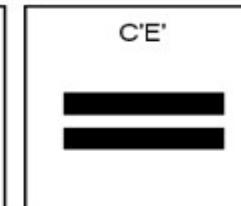

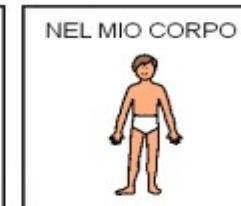

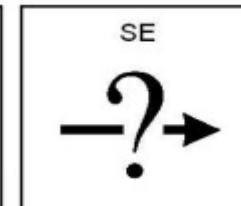

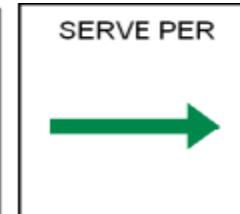

FACCIO IL TAMPONE QUANDO SONO STATO VICINO A
QUALCUNO CHE HA IL CORONAVIRUS (MAMMA, BABBO,
FRATELLI O SORELLE, ALTRI DELLA FAMIGLIA, INSEGNANTI,
COMPAGNI DI CLASSE, AMICI)

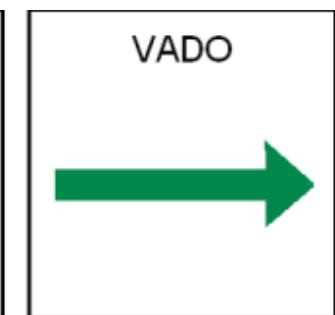

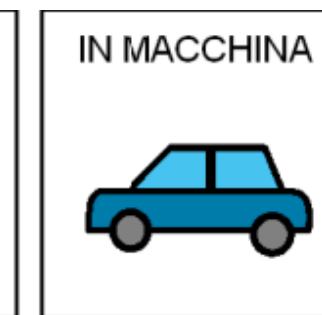

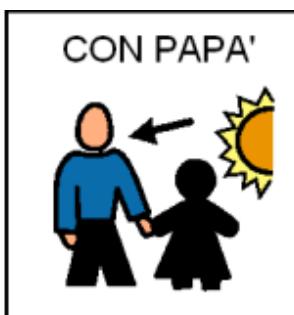

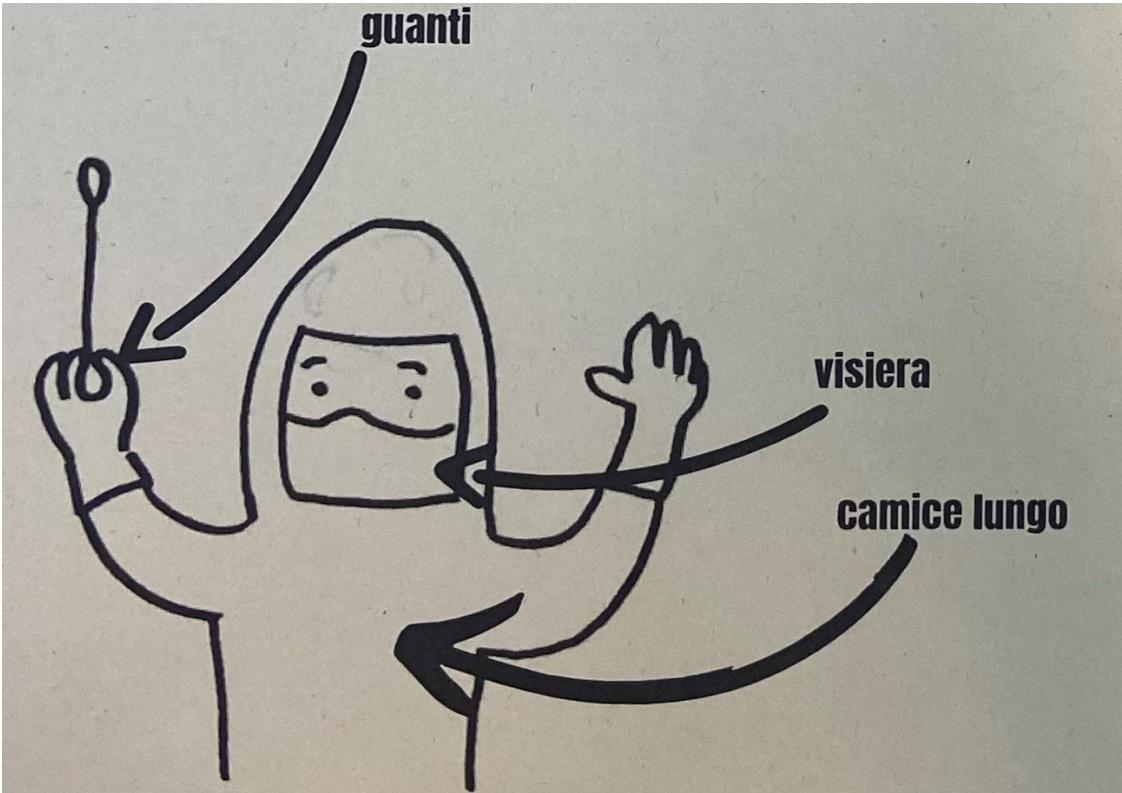

IL TAMPONE SERVE PER SCOPRIRE SE NEL MIO CORPO C'E' IL CORONAVIRUS

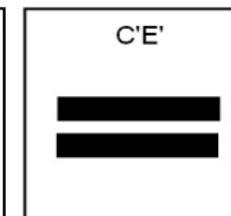

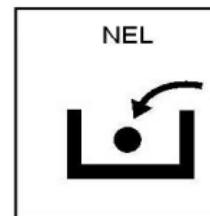

PER FARE IL TAMPONE DEVO ANDARE
CON MAMMA O BABBO IN MACCHINA
IN UNA TENDA CHIAMATA
DRIVE THROUGH

AL DRIVE THROUGH TROVERO' UN
DOTTORE CHE INDOSSA VISIERA, MASCHERINA,
UN CAMICE LUNGO E GUANTI

IL DOTTORE MI CHIEDERÀ DI ABBASSARE LA MASCHERINA

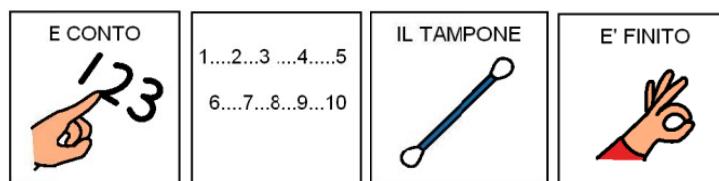

POI MI INFILERÀ' IL TAMPONE IN UNA NARICE DEL MIO
NASO

MENTRE FACCIANO IL TAMPONE CERCO DI CONTROLLARMI,
DI STARE CALMO E DI FARE TUTTO QUELLO CHE MI
CHIEDONO

DAL MOMENTO IN CUI IL TAMPONE ENTRA NEL MIO NASO
POSSIAMO CONTARE FINO A 101..2...3... IL TAMPONE
E' FINITO

QUANDO IL TAMPONE E' FINITO,
SE SONO RIUSCITO A CONTROLLARMI,
A STARE CALMO E A FARE TUTTO QUELLO
CHE MI CHIEDONO, TUTTI SARANNO CONTENTI
E MI FARANNO FARE
